10 Items without minipage

Full row items with `item-break`.

1. One
2. Two
3. Three, on the whole row.

   Second paragraph of the same item.
4. Four

Without `item-break` a full row item stays in a `minipage`: it cannot be split, so it moves as a whole to the next page and leaves a gap.

1. One

2. Two

3. This sentence repeats to fill lines. This sentence repeats to fill lines. This sentence repeats to fill lines

With `item-break=true` the same item starts on this page and continues on the next one.

1. One
2. Two
3. This sentence repeats to fill lines. This sentence repeats to fill lines. This sentence repeats to fill lines

lines. This sentence repeats to fill lines. This sentence repeats to fill lines. This sentence repeats to fill lines. This sentence repeats to fill lines. This sentence repeats to fill lines. This sentence repeats to fill lines. This sentence repeats to fill lines. This sentence repeats to fill lines. This sentence repeats to fill lines. This sentence repeats to fill lines. This sentence repeats to fill lines.

4. Four

Stored answers.

1. Question A.

A) First
B) Second
C) Third (correct), on the whole row.
D) Fourth

1. C)

11 Items without minipage and horizontal keys

Each pair shows the same list with `item-break=true` and without it: the lines of the full row item must start and end at the same places in both lists, whatever the horizontal keys are.

`list-offset=1cm`, `item-break=true`:

1. One
2. Two
3. Full row item with enough text to use two lines of the page: this sentence repeats. This sentence repeats to fill the line.

   Second paragraph of the full row item.
4. Four

`list-offset=1cm`, without `item-break`:

1. One
2. Two
3. Full row item with enough text to use two lines of the page: this sentence repeats. This sentence repeats to fill the line.

   Second paragraph of the full row item.
4. Four

`list-offset=-1cm`, `item-break=true`:

1. One
2. Two
3. Full row item with enough text to use two lines of the page: this sentence repeats. This sentence repeats to fill the line.

   Second paragraph of the full row item.
4. Four

`list-offset=-1cm`, without `item-break`:

1. One
2. Two
3. Full row item with enough text to use two lines of the page: this sentence repeats. This sentence repeats to fill the line.

   Second paragraph of the full row item.
4. Four

`labelwidth=2cm,labelsep=5mm`, `item-break=true`:

1. One
2. Two
3. Full row item with enough text to use two lines of the page: this sentence repeats. This sentence repeats to fill the line.

   Second paragraph of the full row item.
4. Four

`labelwidth=2cm,labelsep=5mm`, without `item-break`:

1. One
2. Two
3. Full row item with enough text to use two lines of the page: this sentence repeats. This sentence repeats to fill the line.

   Second paragraph of the full row item.
4. Four

`itemindent=1cm`, `item-break=true`:

1. One
2. Two
3. Full row item with enough text to use two lines of the page: this sentence repeats. This sentence repeats to fill the line.

   Second paragraph of the full row item.
4. Four

`itemindent=1cm`, without `item-break`:

1. One
2. Two
3. Full row item with enough text to use two lines of the page: this sentence repeats. This sentence repeats to fill the line.

   Second paragraph of the full row item.
4. Four

`rightmargin=2cm`, `item-break=true`:

1. One
2. Two
3. Full row item with enough text to use two lines of the page: this sentence repeats. This sentence repeats to fill the line.

   Second paragraph of the full row item.
4. Four

`rightmargin=2cm`, without `item-break`:

1. One
2. Two
3. Full row item with enough text to use two lines of the page: this sentence repeats. This sentence repeats to fill the line.

   Second paragraph of the full row item.
4. Four

`listparindent=1cm`, `item-break=true`:

1. One
2. Two
3. Full row item with enough text to use two lines of the page: this sentence repeats. This sentence repeats to fill the line.

   Second paragraph of the full row item.
4. Four

`listparindent=1cm`, without `item-break`:

1. One
2. Two
3. Full row item with enough text to use two lines of the page: this sentence repeats. This sentence repeats to fill the line.

   Second paragraph of the full row item.
4. Four

`align=right,labelwidth=1.5cm`, `item-break=true`:

1. One 2. Two
3. Full row item with enough text to use two lines of the page: this sentence repeats. This sentence repeats to fill the line.

   Second paragraph of the full row item.
4. Four

`align=right,labelwidth=1.5cm`, without `item-break`:

1. One 2. Two
3. Full row item with enough text to use two lines of the page: this sentence repeats. This sentence repeats to fill the line.

   Second paragraph of the full row item.
4. Four

`list-offset=1cm,labelwidth=2cm,labelsep=5mm,rightmargin=1cm,itemindent=5mm`, `item-break=true`:

1. One 2. Two
3. Full row item with enough text to use two lines of the page: this sentence repeats. This sentence repeats to fill the line.

   Second paragraph of the full row item.
4. Four

`list-offset=1cm,labelwidth=2cm,labelsep=5mm,rightmargin=1cm,itemindent=5mm`, without `item-break`:

1. One 2. Two
3. Full row item with enough text to use two lines of the page: this sentence repeats. This sentence repeats to fill the line.

   Second paragraph of the full row item.
4. Four

`list-offset=1cm,labelwidth=2cm,labelsep=5mm,rightmargin=1cm,itemindent=5mm`, `item-break=true`:

1. Question.

A) First B) Second
C) Third (correct), on the whole row with enough text to use two lines of the page: this sentence repeats.

   Second paragraph of the full row item.
D) Fourth

`list-offset=1cm,labelwidth=2cm,labelsep=5mm,rightmargin=1cm,itemindent=5mm`, without `item-break`:

1. Question.

A) First B) Second
C) Third (correct), on the whole row with enough text to use two lines of the page: this sentence repeats.

   Second paragraph of the full row item.
D) Fourth

Alignment commands inside the full row item:

1. Centered text, the indentation must be kept.

   Text aligned to the left in the second paragraph.
